CHANSONS ANGLOPHONES

ABBA (Dancing queen)

Ooh

**You can dance, You can jive
Having the time of your life
Ooh, see that girl, Watch that scene
Digging the dancing queen**

Friday night and the lights are low
Looking out for a place to go
Where they play the right music
Getting in the swing
You come to look for a king
Anybody could be that guy
Night is young and the music's high
With a bit of rock music
Everything is fine
You're in the mood for a dance
And when you get the chance

**You are the dancing queen
Young and sweet, Only seventeen
Dancing queen, Feel the beat from the tambourine, oh yeah
You can dance, You can jive
Having the time of your life
Ooh, see that girl, Watch that scene
Digging the dancing queen**

You're a teaser, you turn 'em on
Leave 'em burning and then you're gone
Looking out for another
Anyone will do
You're in the mood for a dance
And when you get the chance

**You are the dancing queen
Young and sweet, Only seventeen
Dancing queen, Feel the beat from the tambourine, oh yeah
You can dance, You can jive
Having the time of your life
Ooh, see that girl, Watch that scene
Digging the dancing queen**

Digging the dancing queen

ABBA (Gimme gimme)

Half-past twelve
And I'm watching the late show in my flat all alone
How I hate to spend the evening on my own
Autumn winds
Blowing outside the window as I look around the room
And it makes me so depressed to see the gloom

There's not a soul out there
No one to hear my prayer

**Gimme, gimme, gimme a man after midnight
Won't somebody help me chase the shadows away?
Gimme, gimme, gimme a man after midnight
Take me through the darkness to the break of the day**

Movie stars
Find the end of the rainbow with a fortune to win
It's so different from the world I'm living in
Tired of TV
I open the window and I gaze into the night
But there's nothing there to see, no one in sight

There's not a soul out there
No one to hear my prayer

**Gimme, gimme, gimme a man after midnight
Won't somebody help me chase the shadows away?
Gimme, gimme, gimme a man after midnight
Take me through the darkness to the break of the day**

**Gimme, gimme, gimme a man after midnight AAAAHHHH
Gimme, gimme, gimme a man after midnight AAAAHHHH**

**Gimme, gimme, gimme a man after midnight
Won't somebody help me chase the shadows away?
Gimme, gimme, gimme a man after midnight
Take me through the darkness to the break of the day**

ACDC (Highway to hell)

Livin' easy, lovin' free
Season ticket on a one way ride
Askin' nothin', Leave me be
Takin' everythin' in my stride
Don't need reason, don't need rhyme
Ain't nothin' that I'd rather do
Goin' down, party time
My friends are gonna be there too

**I'm on the highway to hell
Highway to hell
Highway to hell
I'm on the highway to hell**

No stop signs, speed limit
Nobody's gonna slow me down
Like a wheel, gonna spin it
Nobody's gonna mess me around
Hey satan, payin' my dues
Playin' in a rockin' band
Hey mumma, look at me
I'm on the way to the promised land

MUSIQUE

**I'm on the highway to hell
Highway to hell
Highway to hell
I'm on the highway to hell**

**I'm on the highway to hell
Highway to hell
Highway to hell
I'm on the highway to hell**

**I'm on the highway to hell
Highway to hell
Highway to hell
I'm on the highway to hell**

ADELE (Rolling in the deep)

There's a fire starting in my heart
Reaching a fever pitch, it's bringing me out the dark
Finally I can see you crystal clear
Go 'head and sell me out and I'll lay your ship bare

See how I'll leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless
I can't help feeling

We could've had it all

(you're gonna wish you, Never had met me)

Rolling in the deep

(tears are gonna fall, Rolling in the deep)

You had my heart inside Of your hands

(you're gonna wish you never had met me)

And you played it To the beat

(tears are gonna fall rolling in the deep)

Baby, I have no story to be told
But I've heard one on you, now I'm gonna make your head burn
Think of me in the depths of your despair
Make a home down there, as mine sure won't be shared

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless
I can't help feeling

We could've had it all

(you're gonna wish you, Never had met me)

Rolling in the deep

(tears are gonna fall, Rolling in the deep)

You had my heart inside Of your hands

(you're gonna wish you never had met me)

And you played it To the beat

(tears are gonna fall rolling in the deep)

Remind me of us (tears are gonna fall)

We could've had it all
Rolling in the deep
You had my heart inside Of your hands
And you played it To the beat

Throw your soul through every open door
Count your blessings to find what you look for
Turn my sorrow into treasured gold
You pay me back in kind and reap just what you've sown

We could've had it all
(you're gonna wish you, Never had met me)
Rolling in the deep
(tears are gonna fall, Rolling in the deep)
You had my heart inside Of your hands
(you're gonna wish you never had met me)
And you played it To the beat
(tears are gonna fall rolling in the deep)

We could've had it all
(you're gonna wish you, Never had met me)
Rolling in the deep
(tears are gonna fall, Rolling in the deep)
You had my heart inside Of your hands
(you're gonna wish you never had met me)
And you played it To the beat
(tears are gonna fall rolling in the deep)

AEROSMITH (I don't wanna miss a thing)

I could stay awake just to hear you breathing
Watch you smile while you are sleeping
While you're far away and dreaming
I could spend my life in this sweet surrender
I could stay lost in this moment forever
Every moment spent with you is a moment I treasure

**Don't want to close my eyes
I don't want to fall asleep
'Cause I'd miss you baby
And I don't want to miss a thing
'Cause even when I dream of you
The sweetest dream will never do
I'd still miss you baby
And I don't want to miss a thing**

Lying close to you, feeling your heart beating
And I'm wondering what you're dreaming
Wondering if it's me you're seeing
Then I kiss your eyes
And thank God we're together
And I just want to stay with you in this moment forever
Forever and ever

**Don't want to close my eyes
I don't want to fall asleep
'Cause I'd miss you baby
And I don't want to miss a thing
'Cause even when I dream of you
The sweetest dream will never do
I'd still miss you baby
And I don't want to miss a thing**

I don't want to miss one smile
And I don't want to miss one kiss
And I just want to be with you
Right here with you, just like this
And I just want to hold you close
I feel your heart so close to mine
And just stay here in this moment
For all the rest of time
Yeah, yeah, yeah, yeah, yeah
Don't want to close my eyes

**Don't want to close my eyes
I don't want to fall asleep
'Cause I'd miss you baby
And I don't want to miss a thing
'Cause even when I dream of you
The sweetest dream will never do
I'd still miss you baby
And I don't want to miss a thing**

**Don't want to close my eyes
I don't want to fall asleep
'Cause I'd miss you baby
And I don't want to miss a thing
'Cause even when I dream of you
The sweetest dream will never do
I'd still miss you baby
And I don't want to miss a thing**

AMSTRONG LOUIS (What a Wonderful world)

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself, what a wonderful world!

I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself, what a wonderful world!

**The colors of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands saying, "How do you do?"
They're really saying, "I love you »**

I hear babies cry, and I watched them grow
They'll learn much more than I'll ever know
And I think to myself, what a wonderful world!

**The colors of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands saying, "How do you do?"
They're really saying, "I love you »**

I hear babies cry, and I watched them grow
They'll learn much more than I'll ever know
And I think to myself, what a wonderful world!
Yes, I think to myself, what a wonderful world!

(the) BEATLES (Hey Jude)

Hey Jude, don't make it bad.
Take a sad song and make it better.
Remember to let her into your heart,
Then you can start to make it better.

Hey Jude, don't be afraid.
You were made to go out and get her.
The minute you let her under your skin,
Then you begin to make it better.

**And anytime you feel the pain, hey Jude, refrain,
Don't carry the world upon your shoulders.
For well you know that it's a fool who plays it cool
By making his world a little colder.**

Hey Jude, don't let me down.
You have found her, now go and get her.
Remember to let her into your heart,
Then you can start to make it better.

**So let it out and let it in, hey Jude, begin,
You're waiting for someone to perform with.
And don't you know that it's just you, hey Jude, you'll do,
The movement you need is on your shoulder.**

Hey Jude, don't make it bad.
Take a sad song and make it better.
Remember to let her under your skin,
Then you'll begin to make it
Better better better better better better, oh.

Na na na nananana, nannana, hey Jude...

(the) BEATLES (Let it be)

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom
Let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom
Let it be

**Let is be, let it be, let it be, let it be
Whisper words of wisdom, let it be**

And when the brokenhearted people
Living in the world agree
There will be an answer
Let it be
For though they may be parted
There is still a chance that they will see
There will be an answer
Let it be

**Let is be, let it be, let it be, let it be
Whisper words of wisdom, let it be
Let is be, let it be, let it be, let it be
Whisper words of wisdom, let it be
MUSIQUE
Let is be, let it be, let it be, let it be
Whisper words of wisdom, let it be**

And when the night is cloudy
There is still a light that shines on me
Shine on 'til tomorrow
Let it be
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom
Let it be

Let is be, let it be, let it be, let it be
Whisper words of wisdom, let it be
Let is be, let it be, let it be, let it be
Whisper words of wisdom, let it be

(the) BEATLES (Twist and shout)

Well, shake it up, baby, now
Twist and shout
Come on, come on, come, come on, baby, now
Come on and work it on out
Well, work it on out, honey
You know you look so good
You know you got me goin' now
Just like I knew you would

Well, shake it up, baby, now
Twist and shout
Come on, come on, come, come on, baby, now
Come on and work it on out
You know you twist, little girl
You know you twist so fine
Come on and twist a little closer now
And let me know that you're mine, woo

Ah, ah, ah, ah, wow

Well, shake it up, baby, now
Twist and shout
Come on, come on, come, come on, baby, now
Come on and work it on out
You know you twist, little girl
You know you twist so fine
Come on and twist a little closer now
And let me know that you're mine

Well, shake it, shake it, shake it, baby, now
Well, shake it, shake it, shake it, baby, now
Well, shake it, shake it, shake it, baby, now
Well, shake it, shake it, shake it, baby, now

(the) BEE GEES (How deep is your love)

I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again

And you come to me on a summer breeze
Keep me warm in your love, then you softly leave
And it's me you need to show
How deep is your love

**How deep is your love, how deep is your love
I really mean to learn
'Cause we're living in a world of fools
Breaking us down when they all should let us be
We belong to you and me**

I believe in you
You know the door to my very soul
You're the light in my deepest, darkest hour
You're my savior when I fall

And you may not think, I care for you
When you know down inside that I really do
And it's me you need to show
How deep is your love

**How deep is your love, how deep is your love
I really mean to learn
'Cause we're living in a world of fools
Breaking us down when they all should let us be
We belong to you and me**

MUSIQUE

And you may not think, I care for you
When you know down inside that I really do
And it's me you need to show
How deep is your love

I really mean to learn
'Cause we're living in a world of fools
Breaking us down when they all should let us be
We belong to you and me**

(the) BEE GEES (I started a joke)

I started a joke
Which started the whole world crying
But I didn't see
That the joke was on me, oh no

I started to cry
Which started the whole world laughing
Oh, if I'd only seen
That the joke was on me

**I looked at the skies
Running my hands over my eyes
And I fell out of bed
Hurting my head from things that I'd said**

'Til I finally died
Which started the whole world living
Oh, if I'd only seen
That the joke was on me

**I looked at the skies
Running my hands over my eyes
And I fell out of bed
Hurting my head from things that I'd said**

'Til I finally died
Which started the whole world living
Oh, if I'd only seen, oh yeah
That the joke was on me, oh no
That the joke was on me
Oh, no, no, no

(the) BEE GEES (Stayin' alive)

Well, you can tell by the way I use my walk
I'm a woman's man, no time to talk
Music loud and women warm, I've been kicked around
Since I was born
And now it's alright, it's okay
And you may look the other way
We can try to understand
The New York Times' effect on man

**Whether you're a brother or whether you're a mother
You're stayin' alive, stayin' alive
Feel the city breakin' and everybody shakin'
And we're stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive**

Oh, when you walk

Well now, I get low and I get high
And if I can't get either, I really try
Got the wings of Heaven on my shoes
I'm a dancin' man and I just can't lose
You know it's alright, it's okay
I'll live to see another day
We can try to understand
The New York Times' effect on man

**Whether you're a brother or whether you're a mother
You're stayin' alive, stayin' alive
Feel the city breakin' and everybody shakin'
And we're stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive, stayin' alive (oh)
Ah, ha, ha, ha, stayin' alive (oh)**

Life goin' nowhere, somebody help me
Somebody help me, yeah
Life goin' nowhere, somebody help me, yeah (I'm stayin' alive)

Well, you can tell by the way I use my walk
I'm a woman's man, no time to talk
Music loud and women warm
I've been kicked around since I was born
And now it's all right, it's okay
And you may look the other way
We can try to understand
The New York Times' effect on man

**Whether you're a brother or whether you're a mother
You're stayin' alive, stayin' alive

Life goin' nowhere, somebody help me
Somebody help me, yeah
Life goin' nowhere, somebody help me, yeah (I'm stayin' alive)

(the) BEE GEES (You should be dancing)

My baby moves at midnight

My woman takes me higher
My woman keeps me warm

**What you doin' on your bed on your back? Ah
What you doin' on your bed on your back? Ah
You should be dancing, yeah
Dancing, yeah**

She's juicy and she's trouble
She gets it to me good
My woman gives me power
Goes right down to my blood

BERRY, CHUCK (Johnny Be Goode)

Deep down in Louisiana close to New Orleans
Way back up in the woods among the evergreens
There stood a log cabin made of earth and wood
Where lived a country boy named Johnny B. Goode
Who never ever learned to read or write so well
But he could play a guitar just like a-ringin' a bell

Go, go
Go Johnny, go, go
Go Johnny, go, go
Go Johnny, go, go
Go Johnny, go, go
Johnny B. Goode

He used to carry his guitar in a gunny sack
Go sit beneath the tree by the railroad track
Oh, the engineers would see him sitting in the shade
Strumming with the rhythm that the drivers made
The people passing by they would stop and say
"Oh my what that little country boy could play"

Go, go
Go Johnny, go, go
Go Johnny, go, go
Go Johnny, go, go
Go Johnny, go, go
Johnny B. Goode

MUSIQUE

His mother told him "someday you will be a man
And you will be the leader of a big old band
Many people coming from miles around
To hear you play your music when the sun go down
Maybe someday your name will be in lights
Saying "Johnny B. Goode tonight"

Go, go
Go Johnny, go, go
Go Johnny, go, go
Go Johnny, go, go
Go Johnny, go, go
Johnny B. Goode

BLUES BROTHERS (Everybody needs... somebody)

*We're so glad to see so many of you lovely people here tonight
And we would especially like to welcome all the
Representatives of Illinois' law enforcement community
Who have chosen to join us here in
The Palace Hotel Ballroom at this time
We do sincerely hope you'll all enjoy the show
And please remember people, that no matter who you are
And what you do to live, thrive and survive
There are still some things that make us all the same
You, me, them, everybody, everybody*

**Everybody needs somebody
Everybody needs somebody to love
Someone to love (someone to love)
Sweetheart to miss (sweetheart to miss)
Sugar to kiss (sugar to kiss)
I need you you you

BOWIE DAVID (Let's dance)

AAAAHHHH

**Let's dance
Put on your red shoes and dance the blues
Let's dance
To the song they're playin' on the radio
Let's sway
While color lights up your face
Let's sway
Sway through the crowd to an empty space**

If you say run I'll run with you
And if you say hide We'll hide
Because my love for you
Would break my heart in two
If you should fall into my arms
And tremble like a flower

**Let's dance
For fear your grace should fall
Let's dance
For fear tonight is all
Let's sway
You could look into my eyes
Let's sway
Under the moonlight, this serious moonlight**

If you say run I'll run with you
And if you say hide We'll hide
Because my love for you
Would break my heart in two
If you should fall into my arms
And tremble like a flower

CHARLES RAY (Georgia on my mind)

Georgia, Georgia
The whole day through
Just an old sweet song
Keeps Georgia on my mind

I said Georgia
Georgia
A song of you
Comes as sweet and clear
As moonlight through the pines

**Other arms reach out to me
Other eyes smile tenderly
Still in peaceful dreams I see
The road leads back to you**

I said Georgia
Oh Georgia, no peace I find
Just an old sweet song
Keeps Georgia on my mind

**Other arms reach out to me
Other eyes smile tenderly
Still in peaceful dreams I see
The road leads back to you**

Whoa-whoa, Georgia
Georgia
No peace, no peace I find
Just an old, sweet song
Keeps Georgia on my mind
I said just an old sweet song
Keeps Georgia on my mind

Big fun to be had by everyone

Young and old are doing it, I'm told

Just one try and you too will be sold

It's called 'Le Freak', they're doing it night and day

Allow us, we'll show you the way

Ah, freak out! Le freak, c'est chic

Freak out!

Freak out!

All that pressure got you down

Has your head been spinning all around?

Feel the rhythm, check the rhyme

Come on along and have a real good time

Like the days of Stomping at the Savoy

Now we "freak, " oh, what a joy

Just come on down to the fifty four

Find your spot out on the floor

Feel the rhythm, check the rhyme
Come on along and have a real good time
Like the days of Stomping at the Savoy
Now we "freak, " oh, what a joy
Just come on down to the fifty four
Find your spot out on the floor

**Ah, freak out! Le freak, c'est chic
Freak out!
Ah, freak out! Le freak, c'est chic
Freak out!
Ah, freak out! Le freak, c'est chic
Freak out!
Ah, freak out! Le freak, c'est chic
Freak out!**

COCKER JOE (Unchain my heart)

Unchain my heart Baby, let, let me be
'Cause you don't care Well, please
Set me free

Unchain my heart Baby, let me go
Unchain my heart 'Cause you don't love me no more
Every time I call you on the phone
Some fella tells me that you're not at home
Unchain my heart Set me free

Unchain my heart Baby, let me be
Unchain my heart 'Cause you don't care about me
You've got me sewed up like a pillow case
But you let my love go to waste
Unchain my heart Set me free

**I'm under your spell
Like a man in a trance baby
Oh, but you know darn well
That I don't stand a chance**

Unchain my heart Let me go my way
Unchain my heart You worry me night and day
Why lead me through a life of misery
When you don't care a bag of beans for me
Unchain my heart, oh please Set me free

MUSIQUE

**I'm under your spell
Like a man in a trance baby
Oh, but you know darn well
That I don't stand a chance**

Unchain my heart Let me go my way
Unchain my heart You worry me night and day
Why lead me through a life of misery
When you don't care a bag of beans for me
Unchain my heart, oh please Set me free

Baby set me free...

COCKER JOE (You can leave your hat on)

Baby, take off your coat
Real slow
And take off your shoes
I'll take off your shoes
Baby, take off your dress
Yes, yes, yes
You can leave your hat on
You can leave your hat on
You can leave your hat on

Go over there
Turn on the lights
All the lights
Come over here
Stand on that chair
Yeah, that's right
Raise your arms up in the air
And now shake 'em

You give me a reason to live
You give me a reason to live
You give me a reason to live
You give me a reason to live
Sweet darling

You can leave your hat on
Baby
You can leave your hat on

Suspicious minds are talkin'
They're try a tear us apart
They don't believe in this love of mine
They don't know what love is
They don't know what love is
They don't know what love is
They don't know what love is
Yeah, I know what love is

Put it my way
You can leave your hat on
You can leave your hat on
You can leave your hat on
You can leave your hat on

COHEN LEONARD (Hallelujah)

Now I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you?
It goes like this, the fourth, the fifth
The minor falls, the major lifts
The baffled king composing Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew her
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Well, maybe there's a God above
As for me all I've ever learned from love
Is how to shoot somebody who outdrew you
But it's not a crime that you're hear tonight
It's not some pilgrim who claims to have seen the Light
No, it's a cold and it's a very broken Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

MUSIQUE

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Well people I've been here before
I know this room and I've walked this floor
You see I used to live alone before I knew ya
And I've seen your flag on the marble arch
But listen love, love is not some kind of victory march, no
It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

There was a time you let me know
What's really going on below
But now you never show it to me, do you?
And I remember when I moved in you
And the holy dove she was moving too
And every single breath we drew was Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Now I've done my best, I know it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come here to London just to fool you
And even though it all went wrong
I'll stand right here before the Lord of song
With nothing, nothing on my tongue but Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

COLLINS PHIL (In the air tonight)

**I can feel it coming in the air tonight, oh lord
And I've been waiting for this moment, for all my life, oh lord
Can you feel it coming in the air tonight, oh lord, oh lord**

Well, if you told me you were drowning
I would not lend a hand
I've seen your face before my friend
But I don't know if you know who I am

Well, I was there and I saw what you did
I saw it with my own two eyes
So you can wipe off that grin, I know where you've been
It's all been a pack of lies

**And I can feel it coming in the air tonight, oh lord
Well I've been waiting for this moment for all my life, oh lord
I can feel it coming in the air tonight, oh lord
Well I've been waiting for this moment for all my life, oh lord, oh lord**

Well I remember, I remember don't worry
How could I ever forget
It's the first time, the last time we ever met

But I know the reason why you keep this silence up
No you don't fool me
The hurt doesn't show, but the pain still grows
It's no stranger to you and me

**I can feel it coming in the air tonight, oh lord
Well I've been waiting for this moment for all my life, oh lord
I can feel it in the air tonight, oh lord, oh lord
Well I've been waiting for this moment for all my life, oh lord
I can feel it coming in the air tonight, oh lord
And I've been waiting for this moment for all my life, oh lord
I can feel it in the air tonight, oh lord, oh lord
Well I've been waiting for this moment for all my life, oh lord, oh lord
I can feel it in the air tonight, oh lord, oh lord
Well I've been waiting for this moment for all my life, oh lord, oh lord**

DIRTY DANCING (The time of my life)

Now I've had the time of my life
No, I never felt like this before
Yes I swear, it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I owe it all to you

I've been waiting for so long
Now I've finally found someone to stand by me
We saw the writing on the wall
As we felt this magical fantasy
Now with passion in our eyes
There's no way we could disguise it secretly
So we take each other's hand
'Cause we seem to understand the urgency
Just remember

You're the one thing
I can't get enough of
So I'll tell you something
This could be love, because

**I've had the time of my life
No, I never felt this way before
Yes, I swear, it's the truth
And I owe it all to you**

Hey, baby

With my body and soul
I want you more than you'll ever know
So we'll just let it go
Don't be afraid to lose control, no
Yes, I know what's on your mind
When you say, "Stay with me tonight" (stay with me)
Just remember

You're the one thing
I can't get enough of
So I'll tell you something
This could be love, because

**I've had the time of my life
No, I never felt this way before
Yes, I swear, it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched though every open door
'Til I found the truth
And I owe it all to you**

MUSIQUE

Now I've had the time of my life

DOMINO FAT (Blueberry hill)

**I found my thrill
On Blueberry Hill
On Blueberry Hill
When I found you**

**The moon stood still
On Blueberry Hill
And lingered until
My dream came true**

The wind in the willow played
Love's sweet melody
But all of those vows you made
Were never to be

**Though we're apart
You're part of me still
For you were my thrill
On Blueberry Hill**

MUSIQUE

The wind in the willow played
Love's sweet melody
But all of those vows we made
Were only to be

**Though we're apart
You're part of me still
For you were my thrill
On Blueberry Hill**

DYLAN BOB (Knocking on heaven's door)

Mama, take this badge off of me
I can't use it anymore
It's gettin' dark, too dark to see
I feel like I'm knockin' on heaven's door

**Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door**

Mama, put my guns in the ground
I can't shoot them anymore
That long black cloud is comin' down
I feel like I'm knockin' on heaven's door

**Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door**

MUSIQUE

Knock, knock, knockin' on heaven's door**

(the) EAGLES (Hotel California)

On a dark desert highway
Cool wind in my hair
Warm smell of colitas
Rising up through the air
Up ahead in the distance
I saw shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night

There she stood in the doorway
I heard the mission bell
And I was thinking to myself
This could be Heaven or this could be Hell
Then she lit up a candle
And she showed me the way
There were voices down the corridor
I thought I heard them say

**Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
Any time of year (any time of year)
You can find it here**

Her mind is Tiffany-twisted
She got the Mercedes Benz
She got a lot of pretty, pretty boys
She calls friends
How they dance in the courtyard
Sweet summer sweat
Some dance to remember
Some dance to forget

So I called up the Captain
Please bring me my wine
He said, "We haven't had that spirit here"
"Since 1969"
And still those voices are calling from far away
Wake you up in the middle of the night
Just to hear them say

Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face
They livin' it up at the Hotel California
What a nice surprise (what a nice surprise)
Bring your alibis

Mirrors on the ceiling
The pink champagne on ice
And she said, "We are all just prisoners here"
"Of our own device"
And in the master's chambers
They gathered for the feast
They stab it with their steely knives
But they just can't kill the beast

Last thing I remember, I was
Running for the door
I had to find the passage back
To the place I was before
"Relax, " said the night man
"We are programmed to receive"
"You can check-out any time you like"
"But you can never leave!"

EURHYTHMICS (Sweet dreams)

**Sweet dreams are made of this
Who am I to disagree
I travel the world and the seven seas
Everybody's looking for something**

Some of them want to use you
Some of them want to get used by you
Some of them want to abuse you
Some of them want to be abused

Ooooh...

**Sweet dreams are made of this
Who am I to disagree
I travel the world and the seven seas
Everybody's looking for something**

Ooooh...

Hold your head up, keep your head up, movin' on
Hold your head up, movin' on, keep your head up, movin' on
Hold your head up, movin' on, keep your head up, movin' on
Hold your head up, movin' on, keep your head up

FLOYD EDDIE (Knock on wood)

I don't want to lose you
This good thing, that I got
'Cause if I do, I will surely
Surely lose a lot
'Cause your love, is better
Than any love I know
It's like thunder, lightning
The way you love me is frightening
Oh you better knock on wood, baby
Ooh, ooh, ooh, ooh, ooh, ooh

I'm not superstitious, about ya
But I can't take no chance
You got me spinnin' baby
You know that I'm in a trance
'Cause your love, is better
Than any love I know
It's like thunder, lightning
The way you love me is frightenin'
Oh you better knock on wood, baby
Ooh, ooh, ooh, ooh, ooh, ooh

MUSIQUE

It's no secret, about it
'Cause with his lovin' touch
He sees to it
That I get enough
Feel his touch, all over
You know it means so much
It's like thunder, first then lightnin'
The way you love me is frightenin'
You better knock on wood, baby
Ooh, ooh, ooh, ooh, ooh, ooh

You better knock on wood

FRANKLIN ARETHA (Think)

Think...

You better think
Think about what you're trying to do to me
Yeah Think
Let your mind go, let yourself be free

Let's go back, let's go back
Let's go way on, way back when
I didn't even know you
You couldn't have been too much more than ten
I ain't no psychiatrist, I ain't no doctor with degrees
But, it don't take too much high IQ's
To see what you're doing to me

You better think
Think about what you're trying to do to me
Yeah, think
Let your mind go, let yourself be free

Oh, freedom, freedom
Oh, freedom, yeah, freedom
Oh, freedom, freedom
Oh, freedom, yeah, freedom

Hey, think about it, think about it
There ain't nothing you could ask
I could answer you but I won't
But I was gonna change, but I'm not
If you keep doing things I don't
You better think
Think about what you're trying to do to me
Oh Lord, think
Let your mind go, let yourself be free
People walking around everyday
Playing games, taking scores
Trying to make other people lose their minds
Ah, be careful you don't lose yours, oh
Think
Think about what you're trying to do to me, ooh
Think
Let your mind go, let yourself be free

You need me
And I need you
Without each other there ain't nothing people can do, oh
Oh, hey, think about it, baby
Yeah, oh baby, think about it now, yeah

Think about forgiveness...

GAGA LADY (Shallow)

Tell me something, girl
Are you happy in this modern world?
Or do you need more?
Is there something else you're searchin' for?

I'm falling
In all the good times, I find myself longin' for change
And in the bad times, I fear myself

Tell me something, boy
Aren't you tired trying to fill that void?
Or do you need more?
Ain't it hard keeping it so hardcore?

I'm falling
In all the good times, I find myself longing for change
And in the bad times, I fear myself

**I'm off the deep end, watch as I dive in
I'll never meet the ground
Crash through the surface, where they can't hurt us
We're far from the shallow now
In the sha-ha, sha-ha-llow
In the sha-ha-sha-la-la-la-llow
In the sha-ha, sha-ha-llow
We're far from the shallow now**

Oh, ha-ah-ah...

**I'm off the deep end, watch as I dive in
I'll never meet the ground
Crash through the surface, where they can't hurt us
We're far from the shallow now
In the sha-ha, sha-ha-llow
In the sha-ha-sha-la-la-la-llow
In the sha-ha, sha-ha-llow
We're far from the shallow now**

GREASE (You're the one that I want)

I got chills, they're multiplying
And I'm losing control
'Cause the power you're supplying
It's electrifying

You better shape up
'Cause I need a man
And my heart is set on you
You better shape up
You better understand
To my heart I must be true
Nothin' left, nothin' left for me to do

**You're the one that I want (you are the one I want)
Ooh, ooh, ooh, honey
The one that I want (you are the one I want)
Ooh, ooh, ooh, honey
The one that I want (you are the one I want)
Ooh, ooh, ooh
The one I need
Oh, yes indeed**

If you're filled with affection
You're too shy to convey
Meditate in my direction
Feel your way

I better shape up
'Cause you need a man (I need a man)
Who can keep me satisfied
I better shape up
If I'm gonna prove (You better prove)
That my faith is justified
Are you sure?
Yes, I'm sure down deep inside

**You're the one that I want (you are the one I want)
Ooh, ooh, ooh, honey
The one that I want (you are the one I want)
Ooh, ooh, ooh, honey
The one that I want (you are the one I want)
Ooh, ooh, ooh
The one I need
Oh, yes indeed**

**You're the one that I want (you are the one I want)
Ooh, ooh, ooh, honey
The one that I want (you are the one I want)
Ooh, ooh, ooh, honey
The one that I want (you are the one I want)
Ooh, ooh, ooh
The one I need
Oh, yes indeed**

Hey Joe, where you goin' with that gun of your hand?

(the) JACKSONS (Shake your body down to the ground)

I don't know what's going to happen to you baby
But I do know that I love ya
You walk around this town with your head all up in the sky
And I do know that I want ya

**Let's dance, let's shout
Shake you body down to the ground
(X4)**

You tease me with your loving to play hard to get
Cause you do know that I want ya
You walk around this town with your head all up in the sky
And I do know that I want ya

**Let's dance, let's shout
Shake you body down to the ground
(X4)**

You are the spark that lit the fire inside of me

JACKSON MICHAEL (Billie Jean)

She was more like a beauty queen from a movie scene
I said don't mind, but what do you mean, I am the one
Who will dance on the floor in the round?
She said I am the one, who will dance on the floor in the round

She told me her name was Billie Jean, as she caused a scene
Then every head turned with eyes that dreamed of being the one
Who will dance on the floor in the round

People always told me be careful of what you do
And don't go around breaking young girls' hearts
And mother always told me be careful of who you love
And be careful of what you do 'cause the lie becomes the truth

**Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son**

For forty days and forty nights
The law was on her side
But who can stand when she's in demand her schemes and plans
'Cause we danced on the floor in the round
So take my strong advice, just remember to always think twice
(Do think twice, do think twice)

She told my baby we'd danced 'til three, then she looked at me
Then showed a photo my baby cried his eyes were like mine (oh, no)
'Cause we danced on the floor in the round, baby

People always told me be careful of what you do
And don't go around breaking young girls' hearts
She came and stood right by me
Just the smell of sweet perfume
This happened much too soon
She called me to her room

**Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son**

**Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son**

MUSIQUE

She says I am the one, but the kid is not my son

**Billie Jean is not my lover
She's just a girl who claims that I am the one

She says I am the one, but the kid is not my son**

**Billie Jean is not my lover
Billie Jean is not my lover
Billie Jean is not my lover
Billie Jean is not my lover
Billie Jean is not my lover
Billie Jean is not my lover**

JACKSON MICHAEL (She's out of my life)

She's Out Of My Life
She's Out Of My Life
And I Don't Know Whether To Laugh Or Cry
I Don't Know Whether To Live Or Die
And It Cuts Like A Knife
She's Out Of My Life

It's Out Of My Hands
It's Out Of My Hands
To Think For Two Years She Was Here
And I Took Her For Granted I Was So Cavalier
Now The Way That It Stands
She's Out Of My Hands

**So I've Learned That Love's Not Possession
And I've Learned That Love Won't Wait
Now I've Learned That Love Needs Expression
But I Learned Too Late and she's**

Out Of My Life
She's Out Of My Life
Damned Indecision And Cursed Pride
Kept My Love For Her Locked Deep Inside
And It Cuts Like A Knife
She's Out Of My Life

JACKSON MICHAEL (The way you make me feel)

Hey, pretty baby with the high heels on
You give me fever like I've never ever known
You're just a product of loveliness
I like the groove of your walk, your talk, your dress
I feel your fever from miles around
I'll pick you up in my car and we'll paint the town
Just kiss me baby and tell me twice
That you're the one for me

The way you make me feel (The way you make me feel)
You really turn me on (You really turn me on)
You knock me off of my feet (You knock me off of my feet)
My lonely days are gone (My lonely days are gone)

I like the feelin' you're givin' me
Just hold me, baby, and I'm in ecstasy
Oh, I'll be workin' from nine to five
To buy you things to keep you by my side
I never felt so in love before
Just promise, baby, you'll love me forevermore
I swear I'm keepin' you satisfied
'Cause you're the one for me

The way you make me feel (The way you make me feel)
You really turn me on (You really turn me on)
You knock me off of my feet (You knock me off of my feet)
My lonely days are gone (My lonely days are gone)

Ain't nobody's business (You really turn me on)
Ain't nobody's business but mine and my baby (You knock me off of my feet)
Ooh! (My lonely days are gone)

JACKSON MICHAEL (Wanne be startin' somethin')

**I said you wanna be startin' somethin'
You got to be startin' somethin'
I said you wanna be startin' somethin'
You got to be startin' somethin'
It's too high to get over (yeah, yeah)
Too low to get under (yeah, yeah)
You're stuck in the middle (yeah, yeah)
And the pain is thunder (yeah, yeah)
It's too high to get over (yeah, yeah)
Too low to get under (yeah, yeah)
You're stuck in the middle (yeah, yeah)
And the pain is thunder (yeah, yeah)**

I took my baby to the doctor
With a fever, but nothin' he found
By the time this hit the street
They said she had a breakdown

Someone's always tryin'
To start my baby cryin'
Talkin', squealin', lyin'
Sayin' you just want to be startin' somethin'

**I said you wanna be startin' somethin'
You got to be startin' somethin'
I said you wanna be startin' somethin'

Billie Jean is always talkin'
When nobody else is talkin'
Tellin' lies and rubbin' shoulders
So they called her mouth a motor

Someone's always tryin'
To start my baby cryin'
Talkin', squealin', spyin'
Sayin' you just want to be startin' somethin'

I said you wanna be startin' somethin'

You're a vegetable (you're a vegetable)
You're a vegetable (you're a vegetable)
Still they hate you (still they hate you)
You're a vegetable (you're a vegetable)
You're just a buffet (you're just a buffet, you're a vegetable)
You're a vegetable (you're a vegetable)
They eat off of you (they eat off of you, you're a vegetable)
You're a vegetable, ow!

MUSIQUE

If you can't feed your baby (yeah, yeah)
Then don't have a baby (yeah, yeah)
And don't think maybe (yeah, yeah)
If you can't feed your baby (yeah, yeah)

You'll be always tryin'
To stop that child from cryin'
Hustlin', stealin', lyin'
Now baby's slowly dyin'

I said you wanna be startin' somethin'
You got to be startin' somethin'
I said you wanna be startin' somethin'

Lift your head up high
And scream out to the world
"I know I am someone"
And let the truth unfurl
No one can hurt you now
Because you know what's true
Yes, I believe in me
So you believe in you
Help me sing it

Ma-ma-se, ma-ma-sa, ma-ma-ko-ssa (hoo-hoo)

JETT JOAN (I love rock 'n' roll)

I saw him dancing there by the record machine
I knew he must have been about seventeen
The beat was going strong, playing my favorite song
I could tell it wouldn't be long 'till he was with me Yeah me
I could tell it wouldn't be long 'till he was with me Yeah me

**Singing I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come and take your time and dance with me**

He smiled so I got up and asked for his name
But that don't matter he said cuz it's all the same
He said can I take ya home, where we can be alone
And next we're moving on, he was with me Yeah me
Next we were movin' on, he was with me Yeah me

**Singing I love rock and roll

KEANE (Somewhere only we know)

I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river, and it made me complete

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

I came across a fallen tree
I felt the branches of it looking at me
Is this the place we used to love?
Is this the place that I've been dreaming of?

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

**And if you have a minute, why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go
Somewhere only we know?
Somewhere only we know**

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

**And if you have a minute, why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go?
So why don't we go?
Ooooh...
This could be the end of everything
So why don't we go
Somewhere only we know?
Somewhere only we know
Somewhere only we know**

KING BEN E. (Stand by me)

When the night has come
And the land is dark
And the moon is the only light we'll see

No, I won't be afraid
Oh, I won't be afraid
Just as long as you stand, stand by me

**So darlin', darlin', stand by me, oh, stand by me
Oh, stand, stand by me, stand by me**

If the sky that we look upon
Should tumble and fall
Or the mountains should crumble to the sea

I won't cry, I won't cry, no, I won't shed a tear
Just as long as you stand
Stand by me

**And darlin', darlin', stand by me, oh, stand by me
Whoa, stand now, stand by me, stand by me**

MUSIQUE

**Darlin', darlin', stand by me, oh, stand by me
Oh, stand now, stand by me, stand by me
Whenever you're in trouble, won't you stand by me? Oh, stand by me
Whoa, stand now, oh, stand...**

LAUPER CYNDI (True colors)

You with the sad eyes
Don't be discouraged Oh I realize
It's hard to take courage
In a world full of people You can lose sight of it all
And the darkness inside you
Can make you feel so small

**But I see your true colors Shining through
I see your true colors And that's why I love you
So don't be afraid to let them show
Your true colors, True colors are beautiful
Like a rainbow**

Show me a smile then
Don't be unhappy, can't remember
When I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there

**But I see your true colors Shining through
I see your true colors And that's why I love you
So don't be afraid to let them show
Your true colors, True colors are beautiful
Like a rainbow**

MUSIQUE

Your true colors, True colors, True colors shining true
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors, True colors are beautiful
Like a rainbow**

LENNON JOHN (Imagine)

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky

Imagine all the people
Livin' for today
Ah

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too

Imagine all the people
Livin' life in peace
You

**You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one**

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man

Imagine all the people
Sharing all the world
You

**You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one**

MARS BRUNO (Looocked out of heaven)

Never had much faith in love or miracles (ooh)
Never wanna put my heart on the line (ooh)
But swimmin' in your water's something spiritual (ooh)
I'm born again every time you spend the night (ooh)

'Cause your sex takes me to paradise
Yeah, your sex takes me to paradise

And it shows

Yeah, yeah, yeah

'Cause you make me feel like

I've been locked out of heaven

For too long, for too long

Yeah, you make me feel like

I've been locked out of heaven

For too long, for too long, oh-oh, oh-oh-oh

You bring me to my knees, you make me testify (ooh)
You can make a sinner change his ways (ooh)
Open up your gates 'cause I can't wait to see the light (ooh)
And right there is where I wanna stay (ooh)

'Cause your sex takes me to paradise
Yeah, your sex takes me to paradise

And it shows

Yeah, yeah, yeah

'Cause you make me feel like

I've been locked out of heaven

For too long, for too long

Yeah, you make me feel like

I've been locked out of heaven

For too long, for too long, oh

Oh, whoa, whoa, whoa, yeah, yeah, yeah
Can I just stay here?
Spend the rest of my days here?

Oh, whoa, whoa, whoa, yeah, yeah, yeah
Can I just stay here?
Spend the rest of my days here?

I've been locked out of heaven

I've been locked out of heaven
For too long, for too long, oh-oh, oh-oh-oh**

MARRON 5 (This love)

I was so high, I did not recognize
The fire burning in her eyes
The chaos that controlled my mind

Whispered goodbye as she got on a plane
Never to return again
But always in my heart, oh

**This love has taken its toll on me
She said goodbye too many times before
And her heart is breakin' in front of me
And I have no choice
'Cause I won't say goodbye anymore
Oh...**

I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied, oh

Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again, but uh-oh

**This love has taken its toll on me
She said goodbye too many times before
And her heart is breakin' in front of me
And I have no choice
'Cause I won't say goodbye anymore
Oh...**

I'll fix these broken things, repair your broken wings
And make sure everything's all right (It's all right, it's all right)
My pressure on your hips, I'm sinking my fingertips
Every inch of you
Because I know that's what you want me to do

**This love has taken its toll on me
She said goodbye too many times before
And her heart is breakin' in front of me
And I have no choice
'Cause I won't say goodbye anymore**

(the) POLICE (Every breath you take)

Every breath you take
And every move you make
Every bond you break
Every step you take
I'll be watching you

Every single day
And every word you say
Every game you play
Every night you stay
I'll be watching you

**Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take?**

Every move you make
And every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Since you've gone, I've been lost without a trace
I dream at night, I can only see your face
I look around, but it's you I can't replace
I feel so cold, and I long for your embrace
I keep crying baby, baby please

MUSIQUE

**Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take?**

Every move you make
And every vow you break
Every smile you fake
Every claim you stake
I'll be watching you
Every move you make Every step you take
I'll be watching you... I'll be watching you

PRESLEY ELVIS (Are you lonesome tonigh)

Are you lonesome tonight
Do you miss me tonight?
Are you sorry we drifted apart?
Does your memory stray
To a brighter sunny day
When I kissed you and called you sweetheart?

Do the chairs in your parlor
Seem empty and bare?
Do you gaze at your doorstep
And picture me there?

Is your heart filled with pain
Shall I come back again?
Tell me, dear
Are you lonesome tonight?

PARLE:

I wonder if you're lonesome tonight
You know, someone said that the world's a stage
And each must play a part
Fate had me playing in love you as my sweetheart
Act one was when we met, I loved you at first glance
You read your line so cleverly and never missed a cue
Then came act two, you seemed to change, you acted strange
And why I'll never know
Honey, you lied when you said you loved me
And I had no cause to doubt you
But I'd rather go on hearing your lies
Than go on living without you
Now the stage is bare and I'm standing there
With emptiness all around
And if you won't come back to me
Then they can bring the curtain down

CHANTE:

Is your heart filled with pain
Shall I come back again?
Tell me, dear
Are you lonesome tonight?

PRESLEY ELVIS (Blue suede shoes)

Well, it's one for the money two for the show
Three to get ready now go, cat, go
But don't you step on my blue suede shoes
Well you can do anything but Lay off of my blue suede shoes

Well, you can knock me down, step in my face
Slander my name all over the place
Do anything that you want to do
But uh-uh honey, lay off of my shoes
Don't you step on my blue suede shoes
You can do anything but lay off of my blue suede shoes

MUSIQUE

You can burn my house, steal my car

PRESLEY ELVIS (Heartbreak hotel)

Well, since my baby left me
Well, I found a new place to dwell
Well, it's down at the end of Lonely Street
At Heartbreak Hotel Where I'll be

I'll be so lonely, baby

Although it's always crowded
You still can find some room
For broken hearted lovers
To cry there in their gloom Be so

They'll be so lonely, baby
They get so lonely
They're so lonely, they could die

Now, the bellhop's tears keep flowin'
And the desk clerk's dressed in black
Well, they've been so long on Lonely Street
Well, they'll never, they'll never look back And they get so

They get so lonely, baby
Well, they are so lonely
They're so lonely, they could die

Time after time
I've done my sentence

Kicked in my face
But I've come through
And we mean to go on and on and on and on

**We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions of the World**

I've taken my bows
And my curtain calls
You brought me fame and fortune And everything that goes with it
I thank you all
But it's been no bed of roses
No pleasure cruise
I consider it a challenge before
The human race
And I ain't gonna lose
And we mean to go on and on and on and on

**We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions of the World**

**We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions of the World**

QUEEN (We will rock you)

Buddy, you're a boy, make a big noise
Playing in the street, gonna be a big man someday
You got mud on your face, you big disgrace
Kicking your can all over the place, singin'

**We will, we will rock you
We will, we will rock you**

Buddy, you're a young man, hard man
Shouting in the street, gonna take on the world someday
You got blood on your face, you big disgrace
Waving your banner all over the place

**We will, we will rock you, sing it!
We will, we will rock you, yeah**

Buddy, you're an old man, poor man
Pleading with your eyes, gonna get you some peace someday
You got mud on your face, big disgrace
Somebody better put you back into your place, do it!

RADIOHEAD (Creep)

When you were here before
Couldn't look you in the eye
You're just like an angel
Your skin makes me cry
You float like a feather
In a beautiful world
I wish I was special
You're so fuckin' special

**But I'm a creep
I'm a weirdo
What the hell am I doin' here?
I don't belong here**

I don't care if it hurts
I wanna have control
I want a perfect body
I want a perfect soul
I want you to notice
When I'm not around
So fuckin' special
I wish I was special

I'm a weirdo
What the hell am I doin' here?
I don't belong here**

She's running out the door (run)

RIGHTEAUS BROTHERS (Unchained melody)

Woah, my love, my darling
I've hungered for your touch
A long, lonely time

And time goes by so slowly
And time can do so much
Are you still mine?

I need your love
I need your love
God speed your love to me

**Lonely rivers flow
To the sea, to the sea
To the open arms of the sea, yeah**

**Lonely rivers sigh
"Wait for me, wait for me"
I'll be coming home, wait for me**

Woah, my love, my darling
I've hungered, hungered for your touch
A long, lonely time

And time goes by so slowly
And time can do so much
Are you still mine?

I need your love
I need your love
God speed your love to me

(the) ROLLING STONE (I can't get no - Satisfaction)

I can't get no satisfaction
I can't get no satisfaction
'Cause I try, and I try, and I try, and I try

I can't get no, I can't get no

When I'm driving in my car
When a man come on the radio
He's telling me more and more
About some useless information
Supposed to fire my imagination

**I can't get no, oh, no, no, no, hey, hey, hey
That's what I say**

I can't get no satisfaction
I can't get no satisfaction
'Cause I try, and I try, and I try, and I try

I can't get no, I can't get no

When I'm watchin' my TV
And a man comes on and tells me
How white my shirts can be
But, he can't be a man 'cause he doesn't smoke
The same cigarettes as me

**I can't get no, oh, no, no, no, hey, hey, hey
That's what I say**

I can't get no satisfaction
I can't get no girl reaction
'Cause I try, and I try, and I try, and I try

I can't get no, I can't get no

When I'm ridin' 'round the world
And I'm doin' this and I'm signin' that
And I'm tryin' to make some girl, who tells me
Baby, better come back maybe next week
Can't you see I'm on a losing streak?

**I can't get no, oh, no, no, no, hey, hey, hey
That's what I say...**

SEAL (Kiss from a rose)

There used to be a greying tower alone on the sea.
You became the light on the dark side of me.
Love remained a drug that's the high and not the pill.
But did you know,
That when it snows,
My eyes become large and,
The light that you shine can be seen.

**Baby, I might compare you to a kiss from a rose on the grey.
Ooh, The more I get of you Stranger it feels, yeah.
And now that your rose is in bloom,
A light hits the gloom on the grey.**

There is so much a man can tell you,
So much he can say.
You remain,
My power, my pleasure, my pain.
Baby, to me you're like a growing addiction that I can't deny
Won't you tell me is that healthy, baby?
But did you know,
That when it snows,
My eyes become large and the light that you shine can be seen.

**Baby, I might compare you to a kiss from a rose on the grey.
Ooh, The more I get of you Stranger it feels, yeah.
And now that your rose is in bloom,
A light hits the gloom on the grey.**

I've been kissed by a rose on the grey...

There used to be a greying tower alone on the sea.
You became My power, my pleasure, my pain.
Baby, to me you're like a growing addiction that I can't deny
Won't you tell me is that healthy, baby?
But did you know,
That when it snows,
My eyes become large and the light that you shine can be seen.

**Baby, I might compare you to a kiss from a rose on the grey.
Ooh, The more I get of you Stranger it feels, yeah.
And now that your rose is in bloom,
A light hits the gloom on the grey.**

SIMON & GARFUNKEL (Bridge over troubled water)

When you're weary Feeling small
When tears are in your eyes I'll dry them all
I'm on your side Oh, when times get rough

**And friends just can't be found
Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down**

When you're down and out, When you're on the street
When evening falls so hard, I will comfort you
I'll take your part, Oh, when darkness comes

**And pain is all around
Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down**

Sail on silver girl, Sail on by
Your time has come to shine All your dreams are on their way
See how they shine, Oh, if you need a friend

**I'm sailing right behind
Like a bridge over troubled water
I will ease your mind
Like a bridge over troubled water
I will ease your mind**

SINATRA FRANK (My way)

And now the end is near
And so I face the final curtain
My friend, I'll say it clear
I'll state my case of which I'm certain
I've lived a life that's full
I've travelled each and every highway
and more, much more than this
I did it my way

Regrets I've had a few
But then again too few to mention
I did what I had to do
And saw it through without exemption
I planned each chartered course
Each careful step along the by-way
And more, much more than this
I did it my way

**Yes, there were times
I'm sure you knew
When I bit off more than I could chew
But through it all when there was doubt
I ate it up and spit it out
I faced it all
And I stood tall
And did it my way**

I've loved, I've laughed, and cried
I've had my fill, my share of losing
And now, as tears subside
I find it all so amusing
To think I did all that
And may I say, not in a shy way
"Oh no, oh no, not me
I did it my way"

**For what is a man, what has he got?
If not himself then he has naught
To say the things he truly feels
And not the words of one who kneels
The record shows I took the blows
And did it my way**

TURNER TINA (Proud Mary)

I left a good job in the city
Working for the man every night and day
And I never lost one minute of sleeping
I was worrying 'bout the way the things might've been
Big wheel keep on turning
Proud Mary keep on burning

**And we're rolling, rolling, rolling yeah
Rolling on the river**

Cleaned a lot of plates in Memphis
Pumped a lot of tane down in New Orleans
But I never saw the good side of the city
Until I hitched a ride on a riverboat queen
Big wheel keep on turning
Proud Mary keep on burning

**And we're rolling, rolling, rolling yeah
Rolling on the river
Say we're rolling rolling yeah
Rolling on the river
The river...**

MUSIQUE

Oh I left a good job in the city
Working for the man every night and day
And I never lost one minute of sleeping
Worrying about the way the things might've been
Big wheel keep on turning
Proud Mary keep on burning

**Rolling, rolling, rolling on the river
Say we're rolling, rolling, rolling on the river**

Oh I cleaned a lot of plates in Memphis
And I pumped a lot of tane down in New Orleans
But I never saw the good side of the city
Until I hitched a ride on a riverboat queen
Big wheel keep on turning
Proud Mary keep on burning

**And we're rolling, tell you rolling, we're rolling on the river
I tell you we're rolling, rolling, rolling on the river**

MUSIQUE

If you come down to the river
I bet you gonna find some people who live
And you don't have to worry if you got no money
People on the river are happy to give
Big wheel keep on turning
Proud Mary keep on burning

**And we're rolling, tell you rolling, we're rolling on the river
Tell you we have no time (rolling, rolling, rolling on the river)
(Rolling, rolling, rolling on the river)
Rolling, rolling, rolling on the river)
Tell you we're rolling, rolling, rolling on the river
I tell you we're rolling, rolling, rolling on the river)**

TURNER TINA (Simply the best)

I call you when I need you, my heart's on fire
You come to me, come to me wild and wild
When you come to me
Give me everything I need

Give me a lifetime of promises and a world of dreams
Speak a language of love like you know what it means
MMm, and it can't be wrong
Take my heart and make it strong, baby

**You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart
I hang on every word you say
Tear us apart
Baby, I would rather be dead**

In your heart, I see the star of every night and every day
In your eyes, I get lost, I get washed away
Just as long as I'm here in your arms
I could be in no better place

**You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
Ooh, I'm stuck on your heart
I hang on every word you say
Don't tear us apart, no, no, no
Baby, I would rather be dead**

Each time you leave me, I start losing control
You're walking away with my heart and my soul
I can feel you even when I'm alone
Oh baby, don't let go

MUSIQUE

Ooh, you're the best, ooh
Better than all the rest
Better than anyone
Anyone I've ever met
Ooh, I'm stuck on your heart
I hang on every word you say
Don't tear us apart, no, no
Baby, I would rather be dead
You're the best

Ooh, you're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart, baby
I hang on every word you say
Don't tear us apart, no, no, no
Baby, I would rather be dead
Oh, you're the best

U2 (With or without you)

See the stone set in your eyes
See the thorn twist in your side
I'll wait for you
Sleight of hand and twist of fate
On a bed of nails, she makes me wait
And I wait without you
With or without you
With or without you

Through the storm, we reach the shore
You give it all but I want more
And I'm waiting for you
With or without you
With or without you, ah, ah
I can't live
With or without you

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

My hands are tied
My body bruised, she got me with
Nothing to win and
Nothing left to lose

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

With or without you
With or without you, oh
I can't live
With or without you

Oh...

Oh...

Oh...

With or without you
With or without you, oh
I can't live
With or without you
With or without you
Ooooooh...

MUSIQUE

Oh...

Oh...

Oh...

With or without you
With or without you, oh
I can't live
With or without you
With or without you

VINCENT GENE (Be bop a lula)

**Well be-bop-a-Lula she's my baby
Be-bop-a-Lula I don't mean maybe
Be-bop-a-Lula she's my baby
Be-bop-a-Lula I don't mean maybe
Be-bop-a-Lula she's my baby doll
My baby doll, my baby doll**

Well she's the girl in the red blue jeans
She's the queen of all the teens
She's the one that I know
She's the woman that loves me so

**Say be-bop-a-Lula she's my baby
Be-bop-a-Lula I don't mean maybe
Be-bop-a-Lula she's my baby doll
My baby doll, my baby doll**

MUSIQUE

She's the woman with the flyin' feet
She's the one that walks around the store
She's the one that gets more more more

WINEHOUSE AMY (Rehab)

**They tried to make me go to Rehab
But I said no, no, no
Yes I've been black, but when I come back
You'll know, know, know
I ain't got the time
And if my daddy thinks I'm fine
They tried to make me go to Rehab
But I won't go, go, go**

I'd rather be at home with Ray
I ain't got seventy days
'Cause there's nothing
There's nothing you can teach me
That I can't learn from Mr. Hathaway
I didn't get a lot in class
But I know it don't come in a shot glass

**They tried to make me go to Rehab
But I said no, no, no
Yes I've been black, but when I come back
You'll know, know, know
I ain't got the time
And if my daddy thinks I'm fine
They tried to make me go to Rehab
But I won't go, go, go**

The man said, "Why you think you here?"
I said, "I got no idea"
"I'm gonna, I'm gonna lose my baby"
"So I always keep a bottle near"
He said, "I just think you're depressed"
"This me, yeah baby, and the rest »

**They tried to make me go to Rehab
But I said no, no, no
Yes I've been black, but when I come back
You'll know, know, know**

I don't ever want to drink again
I just, ooh, I just need a friend
I'm not gonna spend ten weeks
And have everyone think I'm on the mend
And it's not just my pride
It's just 'til these tears have dried

**They tried to make me go to Rehab
But I said no, no, no
Yes I've been black, but when I come back
You'll know, know, know
I ain't got the time
And if my daddy thinks I'm fine
They try to make me go to Rehab
But I won't go, go, go!**

WILLIAMS ROBBIE (Angel)

I sit and wait
Does an angel contemplate my fate
And do they know
The places where we go
When we're grey and old
'Cause I have been told
That salvation lets their wings unfold
So when I'm lying in my bed
Thoughts running through my head
And I feel the love is dead
I'm loving angels instead

**And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead**

When I'm feeling weak
And my pain walks down a one way street
I look above
And I know I'll always be blessed with love
And as the feeling grows
She breathes flesh to my bones
And when love is dead
I'm loving angels instead

**And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead**

MUSIQUE

**And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead**

WONDER STEVIE (Superstition)

Very superstitious
Writing's on the wall
Very superstitious
Ladder's 'bout to fall
Thirteen-month-old baby
Broke the looking glass
Seven years of bad luck
The good things in your past

**When you believe in things
That you don't understand
Then you suffer
Superstition ain't the way, yeah**

Ooh, very superstitious
Wash your face and hands
Rid me of the problem
Do all that you can
Keep me in a daydream
Keep me going strong
You don't want to save me
Sad is my song

**When you believe in things
You don't understand
Then you suffer
Superstition ain't the way, yeah**

MUSIQUE

Very superstitious
Nothing more to say
Very superstitious
The devil's on his way
Thirteen-month-old baby
Broke the looking glass
Seven years of bad luck
The good things in your past

**When you believe in things
That you don't understand
Then you suffer
Superstition ain't the way**
